YOUR COACH

Hi, I'm *Promise Henshaw.*

Not long ago, I was in the exact same place you're in now — wanting to build a remote income but having no clear path, no portfolio, and no one to show me how it was done.

I figured it out. I built my skills, landed clients, and turned what I learned into a structured coaching brand — **Atelier Clarity™** — built for people who are ready to stop consuming content and start earning.

This Bootcamp is everything I wish someone had handed me when I was

starting out. **Structured. Practical. Mentor-led.** And taught by someone who's actually doing it — not just teaching theory.

QUESTIONS

Before you ask — *here are your answers.*

Do I need prior experience?

Not at all. This Bootcamp is designed for beginners. We start from the very foundation and build up from there. All you need is the willingness to learn and show up.

Is this live or recorded?

The main cohort is live — Monday, Wednesday, and Friday at 7PM WAT. Every Wednesday includes a live Google Meet Q&A session with Promise. A self paced version is also available if you can't join live.

When does the next cohort start?

The next cohort begins April 13, 2025. Spots are limited to keep the experience intimate and high-quality — so don't wait to register.

How do I pay and confirm my spot?

Simply click any "Register on WhatsApp" button on this page. You'll be connected directly with Promise who will send you payment details and confirm your enrollment.

What will I have at the end of the 4 weeks?

A fully built portfolio, the skills to offer professional VA services, a client attraction strategy, and your certificate of completion. You'll finish ready

to work — not still figuring things out.

Is there a community or support group?

Yes. You'll have community support throughout the program and access to your cohort group, so you're never going through this alone.
